Happy Fall Clan Members,

Hope this letter finds everyone well!

Sorry we missed many of you this past summer, it was a great reunion. Next summer will be the 100th anniversary of the founding of the clan. The first meeting was held at the Garrison in 1917. Our membership has grown in the last 100 years! At our next meeting we will take a group photo so save the date on the first weekend in August 2017 and we hope you will be able to attend to commemorate the 100th year the clan was founded and to save the memories in many photos! There were several years during WWII when gas was scarce that the Clan did not meet, so the 100th meeting will be in a few years and we will have another date to celebrate!

The clan is printing a cookbook of favorite family recipes. If you would like to contribute a favorite recipe please submit it before December 31, 2016. This is the final deadline so we can get it together and printed well before the next meeting.

There is a clan Facebook page that has some interesting information. Anyone can contribute family history and learn of upcoming events. The link is <https://www.facebook.com/MicumMcIntireClanAssociation/?fref=ts>

Caryl McIntire Edwards has gone to the Highland Games the last two years in Topsham, ME and was able to acquire new membership and connections to other family members and other clans. Photos from these games are on the Facebook page as well. There is also a Facebook page for the Scottish Prisoners of War. The Battle of Dunbar was re-enacted and there are some great photos and videos to be seen in the following link.
