

Micum McIntire Clan Winter Letter

February 7, 2015

Hello Everyone!

My first draft started with:

Not much snow here on the Seacoast but it is cold enough!

Since then, we have had lots of snow! So, I guess I won't be mentioning the "not much snow thing" again.

Speaking of weather, on August 2, 2014 the weather was ify. We gathered at the home of Jim Davis. Once again he offered the field next to his house for our lunch. We were a little concerned about it raining on our chicken barbecue, and we were also pushing our luck with no backup plans. Yikes! But Mother Nature came through with a beautiful sunny day. While we ate and visited, we were treated to the sound of Derek Davidson of Bethlehem, NH, who played the bagpipes in the background. After playing, he joined us for some lunch and visited with the group. We should keep him in mind for future meetings. He is a nice young man and a very good piper.

Before the chicken barbecue, the business part of the meeting for the 94th reunion was held at the Virginia Weare Parsons Education Ctr in York. Again, one of the things we discussed was how to get more people to attend the meetings. Carol McIntire Edwards spoke about the Maine Scottish Games which are held in Topsfield, Maine. She felt it would be a good idea for our group to join them and maybe some good ideas might come out of it. It costs \$60/year for the group. She offered to attend the gatherings and represent us. We took a vote that we join for three years. The vote passed. Carol will report back to us as to whether we would benefit from the organization.

This year will be the 95th reunion!! If you have suggestions how we might celebrate, please send them to George Woodwell, Vice President and Chairman of the entertainment committee, at <gwoodwell@whrc.org>.

Please find enclosed the **Annual Dues Form**. There are a number of people we haven't heard from in quite a few years. **If you have not paid dues in the past five years**, this will be your next to last mailing. **The spring letter will be the last communication you will receive**. Keep in mind, the dues helps pay for the picnics, the entertainment and biannual mailings.

Thanks for your continuing interest.

Hope to see you on **August 1,2015!**

President, Kathleen Turner

Vice President, George Woodwell

Secretary, Sally Turner

Treasurer, Robert M. Davis

Historian, Dan Davis
